MEMORANDUM FOR Commanders, All FORSCOM Troop Units

SUBJECT: Holiday Season Message

- 1. The holiday season is a wonderful time when we count the many blessings that come with living in this great and free country of ours. Many of those blessings are guaranteed by you, the men and women serving in our Armed Forces, who are often deployed in harms way during this important season due to your commitment to serve.**
- 2. For many of you, this holiday season will involve traveling to be with your families and loved ones. Take the time to plan your trip carefully. Be cognizant of the weather hazards you may encounter. Ensure your vehicle is road-ready and all the items you need for safe travel are in serviceable condition. Provide adequate travel time in order to adjust to other than optimum conditions. And perhaps most importantly, if you choose to partake of an alcoholic beverage, do not get behind the wheel of a motor vehicle.**
- 3. I wish you and your family a safe and happy holiday season.**

DAN K. MCNEILL
General, USA
